Subject: RE: Skype??

I'm not going to worry about it. She didn't tell me she was going to try to call in until this morning; if she'd responded earlier, I would've had time to work something out, but I don't have time now.

Do either of you know how to Skype from the office with an outside party, or if we even can? See Nina's request below. I don't Skype at all, so I have no idea. Thx.

Subject: Re: For EPA/NOAA/UW mtg on Mon: Examination of 2011 & 2013 pteropod dataset

Hi Jill,

These are very late hours for me (I am in Germany at the moment). Could you also set up Skype so I could call in from my home (instead of staying in the office so late).

Thank you so much,
Nina
